PROFILE

Growth operator and AI systems builder with six years of brand and community infrastructure experience at NVIDIA Philippines (via First Tier Brands agency), followed by two years of independent practice delivering content, SEO, and AI-workflow systems for SME clients across AU, UK, and PH markets. Designs content systems, builds Claude-powered automation tools, and deploys them end-to-end, from strategy through execution, with no manual overhead left on the table.

EXPERIENCE

Social Media & Community Manager

NVIDIA GeForce Philippines (contracted via First Tier Brands agency) · 2017–2023

- Led organic growth strategy for NVIDIA's Philippine social channels across a six-year tenure; brand's Facebook Page grew from 51K to 224.5K followers and Community Group from 30K to 135K members over this period, through editorial pipelines, UGC amplification, and engagement systems aligned to product launch cycles.
 - Launched and scaled the Instagram presence to 22K organic followers from zero.
 - Built and managed influencer partnerships, live events, and brand collaborations at national scale.

Digital Marketing Strategist & AI Workflow Operator

Freelance · 2023–Present

- Delivered growth strategy and AI-augmented content systems for SME clients across AU, UK, and PH markets.
 - Specializing in organic SEO, conversion-aligned content, and Claude-powered tools that reduce manual overhead.
 - Built and deployed four live AI tools as portfolio proof: Lead Qualifier Bot, Business Infrastructure Scorecard, AI ROI Estimator, and Content Pillar Architect; all accessible at hirrok.github.io/cv.
- AI Tool Building · SEO Strategy · Conversion Systems · Prompt Engineering · Google Apps Script

Virtual Assistant, AML Compliance

Crypto-Legal (Contract) · 2023–2024

- Administrative support for anti-money laundering compliance audits of international cryptocurrency arbitrage corporations.
 - Async remote work: high-accuracy documentation across multiple jurisdictions.
- AML Compliance · Documentation · Remote Operations

Co-Founder & Marketing Head

Rumble Royale · 2013–2016

- Co-founded and led marketing for a pioneering Philippine eSports organization.
 - Built brand digital presence from zero: community, content, and partner acquisition at a time when eSports infrastructure in the country was nascent.
- Brand Building · eSports · Community Growth · Content Strategy
